FINANCIAL AID

Private, Christian education comes with a cost. We believe a Bethesda Christian Schools education is a great value and an even better investment in your child's future. Indiana School Choice Scholarships (commonly known as vouchers), and Indiana Tax Credit SGO Scholarships are 2 ways families with demonstrated financial need can make tuition at Bethesda Christian Schools more affordable. Please note that before any financial assistance is given a family must apply and be accepted at BCS. Any balance not covered by tuition assistance is the responsibility of the family.

TUITION

Once accepted, families will complete and sign the financial agreement and enroll online in the FACTS tuition management program. The 5th or the 20th of the month can be selected as the payment date. The link to enroll in FACTS can be found at www.bethesdaschools.org. Tuition covers a variety of expenses including textbook rental, workbooks, standardized testing, computer and science lab fees.
