## FINANCIAL AID

Private, Christian education comes with a cost. We believe a Bethesda Christian Schools education is a great value and an even better investment in your child's future. Indiana School Choice Scholarships (commonly known as vouchers), and Indiana Tax Credit SGO Scholarships are 2 ways families with demonstrated financial need can make tuition at Bethesda Christian Schools more affordable. Please note that before any financial assistance is given a family must apply and be accepted at BCS. Any balance not covered by tuition assistance is the responsibility of the family.
